ROADMAP

QUARTER 4 2018
& QUARTER 1 OF 2019

- Nosturis will launch ERC20 Tokens named “NTRS” using the Ethereum blockchain.
- Implementation of bounty and referral programs.
- Appointment of project ambassadors across globally.

QUARTER 2 OF 2019

- NTRS will be listed on major exchanges, to be traded against various other cryptos.
- Nosturis will launch creating token services for public. People will be able to issue their own ERC20 tokens using the help of Nosturis, all the way from the technical aspects to marketing
- Primary market for these ERC20 tokens will be available during this quarter.

QUARTER 3 OF 2019

- Nosturis will begin to accept clients that want to do token sales using Noturis' platform.

QUARTER 4 OF 2019

- Continuous marketing of the Nosturis platform
